Procedures

- All staff, parent/carers, social care and volunteers are made aware of our no smoking policy.
- We display no smoking signs on the school site.
- We actively encourage no smoking by having information for parents/cares and staff about where to get help to stop smoking if they are seeking this information.
- The young parents attending the Venn Boulevard Centre are delivered associated sessions as part of their curriculum and have sessions with the School Nurse highlighting the risks of smoking.
- Staff who smoke do not do this in work hours. Unless on a break and off the premises which will be organised with the Nursery Manager.
